

# Simpson Street Free Press Matching Quiz

Name These  
Countries:

- 9 Libya
- Angola
- Mali
- Morocco
- Somalia
- Madagascar
- Chad
- Nigeria
- Zaire
- Egypt

## Test Your Geography Knowledge (and Your Test Taking Skills)

Here you will find a map of Africa, Earth's third largest continent. Ten of Africa's countries are marked on the map with a number. For instance, the country of Libya is marked with the number nine. Identify the other nine countries shown on the map by placing its number next to its name to the left of the map.
