Countries and Regions Quiz

Historians often refer to the 18th and 19th centuries as the 'Colonial Era.' While colonialism has existed throughout the course of human history, it was during this period that many European countries carved out large overseas empires. They then exploited these overseas possessions for economic gain. Match the countries listed on the left to the regions described on the right.

1. Spain C
 2. Belgium G
 3. France J
 4. Japan H
 5. The United States A
 6. Germany F
 7. Russia D
 8. Turkey I
 9. England B
 10. Portugal E
